

THE STANDARD, STRATHMORE, ALTA.

BORING A TUNNEL THROUGH SELKIRKS

IMMENSE ENGINEERING FEAT IS
UNDERTAKEN AT ROGERS'
PASS

New Location for the Line Will Shorten C.P.R. Route by Four Miles—
Work Involves the Expenditure of
Over Ten Million Dollars

The London Standard and Express

has given considerable room to describing "the greatest engineering feat ever undertaken in Canada."

It is described as follows:

"The range of perpetually snowed mountain peaks, which surround the Rockies, has presented a serious problem to the engineers.

Today is putting its wits against the

doors conflict is being waged in the

valleys on either side of the mountains

where the roads have held sway for

countless ages.

Now, however, comes the day when

the road will be broken, by mod-

ern machinery, modern tools and

scientific organization, to the great

delight of all citizens. Huge

bonanzas are showing out

and powerful explosives are rending

the innermost recesses of the moun-

tains to lay bare the railway system

and to permit of the con-

struction of a new line.

The new location for the line will

shorten the route by four miles,

thus saving the Rogers' Pass

and will involve the expenditure of

more than \$10,000,000.

The tunnel will be 10,000 feet

long, at present, being just four

and three-quarter miles through

the Selkirk range.

The contractor who has in hand

the tunnel scheme are applying all

their energies to the work, and

they are projecting what is

known as a "pioneer" hole.

After the first two years were spent

in favorable location for a tunnel

through the Selkirks, the C.P.R.

undertook a large-scale

undertaking and relating double

the cost of the operations to any

operations being started late

June.

The contractors, who have in hand

LOCAL JOTTINGS

Try the high-class wines, liquors and cigars at the Maple Leaf Hotel, combined with unequalled service they are unequalled.

The monthly Farmers Auction Sale was held on Saturday. There was a big attendance, but prices were only fair. However, about \$750 worth of implements and live stock were sold. The sale of horses and implements was held by Mr R. A. Johnston, auctioneer, Legary.

People living north of town, who have signed up for telephones for several years past, are wondering whether they will get the phone line this summer. There has been no move on the part of the Government to get work started yet. Now, if the people of Bow Valley have got their phones in for a year past, the people living north of town feel that it is time they had phone connection.

Yes, they do give you a 75¢ meal for \$35, put up by a first class white chef, at the Maple Leaf Hotel.

Some of the long faces perceptibly shortened after the rain on Thursday, here.

The Court of Confirmation of the Town of Elbow River and the Rural Municipality of Bow Valley was to have been held on Saturday last, and Judge Carpenter was due to preside over it. When he heard of the train arrangements he decided to postpone it till Wednesday the 17th day of June at 10 o'clock.

Ladies stopping at the Maple Leaf will get all the courtesies possible, however.

Mr and Mrs A. Hinckell, and two daughters, arrived here from England last Tuesday. For the present they are staying with their son, Mr A. Hinckell.

The Moving Pictures in the McLean's Hall have been given out Monday, Wednesday, Friday, and Saturday evenings. Mr Bevan has now got the light working again, and the pictures are clear and distinct. They have been very fortunate so far in their selection of pictures, and they have been very interesting and many cases educational, and all have been clean.

Mr O. J. Evans, Brooks, was in town Sunday.

Aaron was born to Mr and Mrs W. Worthington, jun., on Wednesday, June 14.

A quiet, but very pretty wedding was held on Saturday morning at the home of Mr and Mrs William McLaren, 212 Tenth-and-a-half Street, Hillhurst, Calgary on Wednesday, June 13, when Miss Ella Gertrude Duncan was united to Mr William McLaren, son of the manager of the Hudson's Bay Company. The ceremony was performed by the Rev Peter J. Walker, B.A., of the Presbyterian Church, in the presence of the immediate relatives of the respective parties. After the ceremony the happy couple left for the stone house at Bow Valley. The bride is quite well-known here, having been resident with Mr and Mrs McLaren for several months in Strathmore.

All members of the L.O.L. of All Saints are requested to be at their Lodgings at 7 p.m. on Saturday on Sunday June 14, preparatory to church parade and services to the Methodist Church at 7:30 p.m.

Last Wednesday Night the Sunday School held a very enjoyable picnic to the Bow River. There were about one thousand children and parents present, and the sports had a good time. Races and sports were engaged in, and prizes for the past year were presented. A list of the prizewinners will be given in next issue.

What are the town going to do about the weather this season? The Mounds are gone, after the weed evil strenuously, but so far the town do not seem to have done anything. Last Saturday there was passed around that all owners of lots in town would have to clean up weeds on their properties, but Bow Valley did not enforce it, and certainly should be enforced the year.

Mr Henry Sorensen arrived back from the east this week.

A son was born to Mr and Mrs J. Collision May 26.

Mr J. S. Dennis, assistant to the President, C.P.R., Mr Naismith, Superintendent of Irrigation, and several other prominent officials of the Company, spent a considerable time here last week. Mr Dennis' private car was in the yards for a couple of days.

Mr F. H. Peters, Dominion Commissioner of Irrigation, and Mr C. W. Stokes, another official of the Government Irrigation Branch, were registered in the King Edward Hotel on Thursday.

Mr R. B. Gangster, manager of the new branch of Sutherland's ready-made lumber yard, which opened yesterday, was in Strathmore Friday. He was registered at the King Edward Hotel.

Notice—All persons who have complaints with regard to weeds within the Rural Municipality of Bow Valley are requested to notify me either personally or by letter and same will be investigated.—Chas Falkner, Weed Inspector, 246 u

Mr W. H. Remmle, C.P.R. Agent here, left last week on a two months' trip to Newfoundland. Mr A. Ballantine, relieving agent, is taking his place here.

The landing of the Purdy Belknap, which had been delayed on Wednesday June 13th at the home of Mr and Mrs T. E. Wright, 5th St, commencing at 3 p.m. Afternoon Tea, strawberries, ice cream, etc. at moderate charges. Everybody come and help a worthy cause.

17-6-9

Mr and Mrs James Watson of Sarnia, Ontario, and their son and wife Mr and Mrs Wm H. Watson of Aroostook, visited the former sister, Mrs Thos Crawford, last week.

An accident occurred to Mike Brown on Saturday. He received a nasty kick from a horse in the jaw, breaking off some of his teeth and injuring his mouth badly. Dr Givens was relieved to find that the horse had arrived in his auto in about 30 minutes. Mr Brown has been taken to Calgary for further treatment. He is in print we are hopeful of a speedy recovery.—Call, Gleichen.

Poor Train Service

(Continued from Page 1)

That this has been done arbitrarily, and without any notice being given, is felt to be unfair to the people of the town and district, and the matter is being brought before the Postmaster General in the following communication:

Mr P. Palmer, Esq., Postmaster-General of Canada, Ottawa, Ontario.

Dear Sirs: The Town Council of the Town of Strathmore has instructed me to protest to you re the curtailment of the mail service's once daily service to the post office in the Bow River district, but he has for some time past resided at Banff.

We are glad to learn that Mr and Mrs Thomas are likely to stay for a time with the bride parents, Mr and Mrs Bolton, of Roseway.

Wedding Bells

THORNBOROUGH—SLADE

An interesting ceremony took place on Redwood Road, Slade, at the church of St. John the Evangelist, where Mr. M. Slade, formerly of Strathmore, was united in marriage to Mr. W. H. Thornborough, of London, Eng., an engineer, who has lived several years in Canada.

The bride, who spent some years in this district prior to her removal to Banff last year, is known to a wide circle of friends here whose best wishes for her happiness are universal.

Mr Thornborough, of London, Eng., an engineer, has lived several years in Canada.

He is the fortunate owner of a quarter section of land in the clearing just west of the town, and has recently moved to the Monarch Inn, located in the Redwood district, but he has for some time past resided at Banff.

We are glad to learn that Mr and Mrs Thomas are likely to stay for a time with the bride parents, Mr and Mrs Bolton, of Roseway.

Bow Valley Supply Changes Hands

As will be seen by advertisement in this issue, the Bow Valley Supply Co. store has changed hands. Mr. W. E. Phinney has sold his interest in the business to Mr. and Mrs. M. B. Garrett and Mr. John Walls in the business.

Mr Phinney has been employed by the company for the stoppage of trains 13 and 14 at Strathmore, and a position has been found for him in the office of the town and forwarded to the Company, and the Railway Commission will also be appealed to in the matter.

The Council and the residents generally, hope that you will investigate the matter fully, and make a resolution in the usual service which it had been having previous to the 1st of June, which was cut out arbitrarily and without any notice.

We are asking the C.P.R. for the

stoppage of trains 13 and 14 at Strathmore, and a position has been found for him in the office of the town and forwarded to the Company, and the Railway Commission will also be appealed to in the matter.

The Council and the residents

generally, hope that you will

E. W. R. LAMBERT, Mayor

H. WOOD, Secy-Treas.

It is a Real Pleasure to Buy Clothes at Wright Bros.

You men who are decidedly particular about the style and fit of your clothes but at the same time like to save money on each purchase, will be more than pleased when you see the clothes we have at moderate prices.

We are so sure to see that you get only what is just right—and after you have it, our interest only increases. We want to be sure it gives you satisfactory service.

And we are always striving to give you bigger values for your money than you can get elsewhere.

Come and get acquainted with us—our merchandise, our methods. Then you will realize that this is truly a pleasant place to trade.

A large assortment of "Stampede Hats," large wide Stetsons \$4 to \$7

WRIGHT BROS.

Bow Valley Supply Co.

Opens after stocktaking Thursday, June 11, under new management.

Mr. W. Phinney has purchased the stock and business of this company, and will carry the store on under the same name.

All accounts owing to the Bow Valley Supply Co. must be settled at once, and all persons having claims against the company are requested to render statement of account on or before June 30.

We take this opportunity of thanking our customers for their patronage and support, and trust same will be continued to our successor.

A BUSINESS MAN IS JUDGED BY HIS STATIONERY

Is yours the kind that commands respect, or is it cheap stuff that gives the impression of a cheap firm?

Stationery printed at the Strathmore Standard is always good-looking and dignified. The price is the only thing about it that can be described as "cheap."

We handle every kind of Job Printing, Letterheads, Business Cards, Labels, Letterhead Envelopes, Counter Check Books, Business and Professional Cards, Visiting Cards, Posters, Handbills, Shipping Tags, Butter Wrappers, Envelopes, Menus, Financial Statements, Booklets, etc., etc.—every thing that can be printed.

couple of overthrows helped Gleichen to secure seven runs in the seventh inning. The home team was a good bunch, and they had already shown it by defeating Gleichen once this season. The game was therefore a real thriller.

A genuine Fats and Slims match is also to be staged on Wednesday evening. The boys have been training a lot of time, and weights will be brought to the field to help the teams. It is promised that it will be Simon pure aggregation of fat men and thin men.

Agricultural Schools

Professor J. W. Elliott writes: It will no doubt be interesting to your farmer readers to learn that at all present time the School of Agriculture at Oats will be full and running over again next year. Last year 61 boys and 39 girls attended the Agricultural School and 100 took advanced classes. The Minister of Agriculture is providing a new building to take care of the Agricultural and Livestock students. This year 153 with this added room we will be able to accommodate approximately 175 students.

Up to date 42 of last year's students and 22 of this year's Household Science students have signed their applications for next year. New applications have been received for first year work among the boys, and some 2 or 3 new applications from girls. Registration is beginning now. The early birds, however, and as already suggested, the School will in all probability be refusing students before the opening day, which will be the 27th day of October.

All young men or women in the vicinity who may be interested either in agricultural education or in household science training would do well to correspond with the undersigned at once.

J. W. ELLIOTT,
Principal, School of Agriculture.

Football

On Thursday last despite the inclement weather, a game was played at Namaak Colony, between Namaak Colony and Strathmore.

B. Wade won the toss for the Colony and elected to kick off for a while with a few raids on each. The first goal obtained by Strathmore was rather in the way of a gaffe, the ball being missed out of the colony backs right on the goal line.

Then followed another score, this time in Strathmore's favor.

Kicking with the wind Strathmore were soon raiding the Colony goal and B. Wade was successful with a few raids on each.

The Colony made determined efforts to equalize, but the ball had been returned and Strathmore was rather in the way of a gaffe, the ball being missed out of the colony backs right on the goal line.

Then followed another score, this time in Strathmore's favor.

On Sunday morning first Mr. Chauaney will preach his farewell sermon at the First Methodist congregation, Mr. Chauaney is not to be kept in Strathmore, but will be transferred to Brandon, Alta., for which place he has secured a call.

On Sunday morning first Mr. Chauaney will preach his farewell sermon at the First Methodist congregation, Mr. Chauaney is not to be kept in Strathmore, but will be transferred to Brandon, Alta., for which place he has secured a call.

It might be mentioned that the game was palpably offside, but the point was allowed to stand, and the ball was turned over to the Colony.

The new polo grounds of the Polo Club, located in Gary, are to be opened on Saturday afternoon, June 20, at 3 p.m. with a match for the championship of Western Canada. The Cup can now be had at the Cedarwood Inn, will be played for by Fish Creek and Cochrane. The new grounds are located just a mile south of the Cedarwood Inn, and it is expected that one of the most interesting matches of the season will be played that afternoon.

Southern Alberta Land Company Gets Rebate

The Canada Gazette of June 6, 1914, contains an order providing for a refund to the Southern Alberta Land Company, Limited, of Alberta, otherwise known as Rossiter and Sons, of \$80,573.57, the amount paid to the government by the company, for 380,573 acres of land at \$1 per acre, with the late government in June, 1906. The order-in-council explains that the company's claim for a refund upwards on irrigation works fitted herself seriously embarrassed for the want of funds to complete its irrigation system, and the company has agreed to apply the same to the payment for assistance.

The company suggested that the late payment be refunded, the title to the land in question to remain with the government until payment of \$80,573.57, and the rate of 5% on the amount paid by the government shall continue from time to time to the company and portion of the land to be held by the company, subject to the payment of \$1.25 per acre, if the interest is not paid by the company, the company undertakes to provide adequate security for the money to be advanced and to satisfy the government that it is in a position to implement the plan, and put them in operation in accordance with the requirements of the agreement of 1906.

All young men or women in the vicinity who may be interested either in agricultural education or in household science training would do well to correspond with the undersigned at once.

J. W. ELLIOTT,
Principal, School of Agriculture.

**Change in Methodist
Pastorate**

In last issue we made the announcement that Rev. S. A. Chauaney, for a year past pastor in the Strathmore Methodist church, had been transferred by the Alberta Methodist Conference, held at Calgary last week, to Whitemouth, Alta., where the draft was subject to selection.

Since then the draft has been altered, but contrary to what was expected, the change was not for a while with a few raids on each.

The first goal obtained by Strathmore was rather in the way of a gaffe, the ball being missed out of the colony backs right on the goal line.

Then followed another score, this time in Strathmore's favor.

Kicking with the wind Strathmore were soon raiding the Colony goal and B. Wade was successful with a few raids on each.
